BRAND ID

Our colour coordinated garment assortment is named BRANDID CORE, because you do not need to look elsewhere. In the CORE concept every garment is available in at least 8 powerful, synchronized colours and most of them in both mens and ladies styles. The offered sizes go up to 5XL in the mens style.

As an add-on we also offer buttons and zip pullers in matching colours, further widening the options available.

We're here for the long run.

We have been so proud of our two-color collection: Premium Range. It has been well received by our customers.

During the launch of the Premium Range, our top priority was to offer a CORE colour way and more options yet not compromising our sustainable collection with focus on reduced negative environmental impact. All products are made of organic cotton and/or recycled polyester from post-consumer PET bottles.

Premium and CORE consists of modern garments that can be worn in almost all industries. The materials are chosen to withstand hard grips and last a long time.
